Harold:

If I make a trip to DC in early Oct. (as I plan to), any chance of visiting with you?

A little guidance, please, on CONGRESSIONAL AIDES and FOREIGN SERVICE WORK. I'm assigned articles on these careers by King Features Syndicate, NY.

1. Are Cong. aides always <u>political</u> appointees?

2. How best to contact State Dept. re spending time with some young career employee?

Best,

Phil.
